CHRISTMAS ROOM

TOYS, GAMES, & STUFFED ANIMAL DRIVE

NOVEMBER 13 - DECEMBER 18

We are collecting new and unused toys in their original packaging for children ages birth through 12 years of age. These gifts stock the shelves for our annual Christmas Room which serves families in Contra Costa County who are unable to purchase gifts for their family for Christmas due to health or financial instability.

Pick up a toy tag at a Sunday morning service, or bring your *unwrapped* donation to the Cottage during regular donation hours and we can add the tag when you drop it off.

We need many donations in the following categories:

Family games

Warm fleecy accessories
